

GYPSY WIFE ERRATA 2019

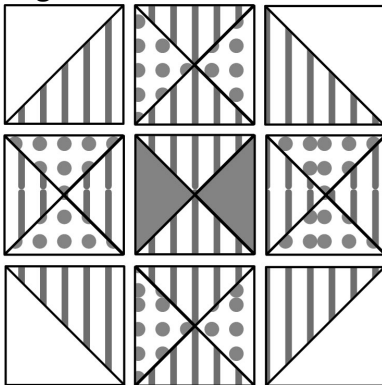

The correct edition states Second Edition (Intro Page)

“Finished block measures” refers to the block size in the completed quilt. This means a 4” finished measurement will be 4 ½” including seam allowance.

Page 11 Star Block: Corrected diagram

Page 21 Hour Glass Block: Bottom right hand column

Finished block size 2”. Make 1.

Assembly: Take this 2” hourglass block and add a border as follows.

Cut 2 strips at 1 ¼” x 2 ½” and stitch to top and bottom of block.

Cut 2 strips at 1 ¼” x 4” and stitch to sides of block.

Cut 2 squares of fabric 3 ⅜” to give 4 triangles.

Stitch these onto corners of block remembering to add opposite corners, press then add remaining corners. This becomes a 5” finished block.

Page 24 Square in a Square block: THIS BLOCK WAS OMITTED

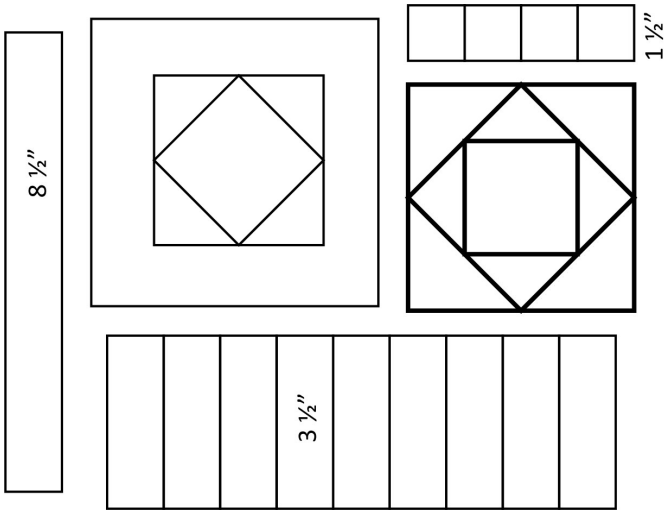

Finished block size 4”. Make 1

Assembly: Take an already finished 3” Square in a Square block.

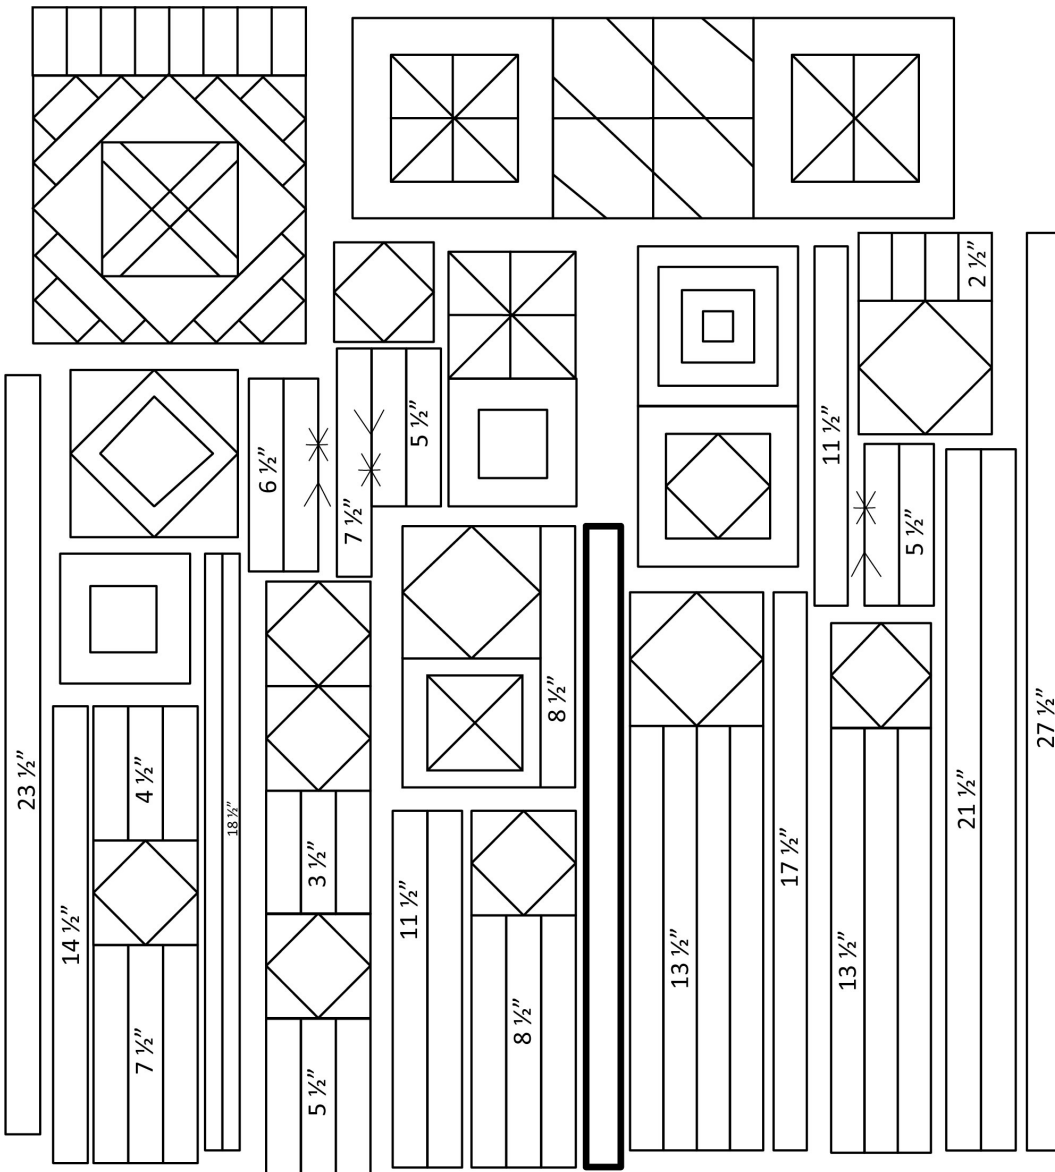

Cut 2 squares at 2 ⅞”

Stitch these onto corners of previously made Square in a Square block, remembering to add opposite corners, press then add remaining corners.
