

Marshal

by Jen Kingwell for Quiltmania

We've recently been made aware of a line that has been omitted by Quiltmania from the instructions printed in the 5th instalment of Marshal, Quiltmania Issue No. 133.

Under the cutting instructions on page 85 of Issue No. 133, Step 1 in the printed magazine should begin with:

"Before cutting template N from main background fabric, please cut 4 squares at 25" and pop aside."

To obtain a copy of the correct instructions for Part 5 of the Marshal program provided to Quilt Mania by Jen Kingwell Designs, please email info@jenkingwelldesigns.com

We sincerely apologise for any inconvenience this may have caused.
