

## Sugar Rush

by Michelle McKillop

Your centre square is cut at 17". This measurement includes seam allowance.

Please note that your leaves must overlap the central ring to ensure the appliqué design fits the 16.5" finished square (17" including seam allowance). Your leaves will come right to the edge of the centre square.

First border/frame is cut to the following measurements: 2 rectangles at 3 ¾" x 17" for first border/frame AND 2 rectangles at 3 ¾" x 23" for first border/frame

We have included a close-up photo of Michelle's quilt for your reference.
